A few days ago, you helped build five new homes for the Wilson, Guess, Coston, Sibomana/Mukandutiye, and Diboh families in just seven days! This truly was a community effort. Savvy Homes, Robuck Homes, Loyd Builders, Legacy Custom Homes, Homes by Dickerson, Saussy Burbank, Creech Homes, and Habitat Wake provided their building expertise, and hundreds of area vendors and subcontractors contributed materials and labor. Thank you for providing gift in-kind (see gift detail below) support for the Builders Blitz homes during the week of June 5 – 12.

Habitat Wake is celebrating its 30<sup>th</sup> Anniversary this year. This celebration includes building our 500<sup>th</sup> home in Wake County, serving more than 1,000 families, and completing exterior repairs on more than 100 homes in neighborhoods we serve. The Builders Blitz program has helped us reach these milestones by building a total of 79 homes in Wake County since 2002.
